Message from the President

Dear Friends,

Welcome to the 2015 Annual Meeting of the Boys & Girls Clubs of the River Region!

On behalf of the more than 1,200 children and youth throughout the River Region impacted each year by our organization, thank you for your attendance tonight and your ongoing support of BGCRR. Each day our clubs in West End, Chisholm and Wetumpka open their doors, we have approximately 240 River Region children and youth enter our clubs and benefit from the programs designed to allow our members to achieve academic success, embrace healthy lifestyles and develop good citizenship.

Your philanthropic support helps to provide a safe place for kids where BGCRR's caring professionals offer them encouragement, guidance and much more. Further, your support helps River Region children and youth gain the tools needed to succeed in the world that awaits them.

We are excited to share with you tonight many examples of the talented children and youth in our clubs. Before you leave tonight, be sure and take a moment to speak to several of our club members who are with us and witness firsthand the meaningful impact that your support creates.

Again, we sincerely appreciate your support of BGCRR and the gift of your time here tonight.

Message from the Chief Professional Officer

Dear Friends,

An annual report is an opportunity for an organization to share great accomplishments with its most caring and passionate friends. We could not be more excited to share our significant impact, programmatic successes, new partnerships and financial standing in 2014.

We know we are changing lives every day at Boys & Girls Clubs of the River Region. Beyond the numbers, our goal is to communicate what cannot be stated in statistics: Montgomery and Elmore County families are counting on us. Without the Clubs, many of our community's children would be unsupervised after school and in the summer. Some would go to bed hungry. Others would lack the academic support and role models they need to realize their potential.

We invite you to experience an afternoon at a Club through the eyes of Club member Rashaad Pettiway so you can see the importance of your support. He will take you on a tour through the West End Boys & Girls Club. While you will experience the Clubs through one child's perspective, there are hundreds of children like him in Clubs across the city who are also benefiting from your generosity.

We're grateful for your commitment to Boys & Girls Clubs and thank you for your support.

Sincerely,

A handwritten signature in black ink, reading "Rich Jackson". The signature is stylized and fluid.

BOYS & GIRLS CLUBS
OF THE RIVER REGION

There are many ways to help the Boys & Girls Clubs of the River Region

For More Information, Please Contact: Boys & Girls Clubs of the River Region. P. O. Box 234, Montgomery, AL 36101-0234 (334) 832-4288, email to: lgiles@bgcriverregion.org; www.bgcriverregion.org

Give Now Make a donation by cash, check, credit card, or with securities. Funds are always needed for operating expenses such as program materials, sports equipment, computer software, books and art supplies. Most importantly, human resources continues to be our single largest expense. Sufficient staffing is required to adequately, and safely, serve the needs of the children of our community.

Give In The Future Make a deferred or planned gift. Making a provision in your estate plan to benefit the kids ensures that your legacy will last a lifetime. Those who make deferred gifts to the Club will be listed as a member of our Heritage Club.

All gifts are important to us. Thank you for your support.

On Behalf of The Kids – **THANKS!**
